ANNOUNCEMENT
UPDATE ON THE PROPOSED A SHARE OFFERING

This announcement is made by China Suntien Green Energy Corporation Limited (the “**Company**”) pursuant to the inside information provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) and Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

Reference is made to the announcement of the Company dated 2 November 2018 in relation to the acceptance of the application materials by the China Securities Regulatory Commission (the “**CSRC**”) in respect of the proposed initial offering of A shares (the “**Proposed A Share Offering**”) by the Company.

The Board announces that on 15 February 2019, the Company received a notice given by the CSRC regarding suspension of the review process of the Company’s application for the Proposed A Share Offering. To the Company’s knowledge, the reason for giving such notice by the CSRC is that the Company once engaged Beijing China Enterprise Appraisals Co., Ltd.* (北京中企華資產評估有限責任公司) (“**China Enterprise**”) to issue an asset valuation report when the Company was established in 2010, while China Enterprise was alleged breach of the securities laws and regulations when participated in a project unrelated to the Company (or any of its subsidiaries) or the Proposed A Share Offering and was investigated by the CSRC. Currently, the investigation is still ongoing.

The Company is currently cooperating with relevant professional parties in performing the re-examination procedures of relevant matters above, and will apply for resumption of the review process with the CSRC as soon as practicable in order to resume the CSRC’s review process on the application documents of the Proposed A Share Offering.
